If No - STOP! PLEASE GET YOUR PET NEUTERED!

Does your dog have a stable temperament?

If Yes - Please continue.

If No - STOP! PLEASE GET YOUR PET NEUTERED!

Does your dog fit the breed standard?

If Yes - Please continue.

If No - STOP! PLEASE GET YOUR PET NEUTERED!

Is your dog healthy and certified (OFA, CERF) free of genetic diseases?

If Yes - Please continue.

If No - STOP! PLEASE GET YOUR PET NEUTERED!

If you answered yes to all the above questions, you have a dog of breeding quality. However, if you are not active in showing or working your dog, think very carefully about your reason for breeding. Breeding should be done to improve the breed, not so the kids can see puppies being born, or because you want "a puppy from her," and NEVER to make money selling puppies!

Don't Breed Out of Greed!
